TO: THE RESIDENTS OF THE CITY OF WICHITA, KANSAS

You are hereby notified that the City Council (the “Governing Body”) of the City of Wichita, Kansas (the “City”), adopted Resolution No.15-373 , on December 1, 2015 (the “Resolution”). The Resolution amended Resolution No.15-185 (the “Prior Resolution”) which previously amended Resolution No. 13-259, which found and determined it to be necessary and declared its intention to construct, reconstruct, alter, repair, improve, extend and enlarge the City of Wichita, Kansas Water and Sewer Utility which is owned and operated by the City (the “Utility”), and authorized the issuance of revenue bonds in amount not to exceed \$2,901,960 in order to finance all or a portion of the costs of replacement of a water line in the Plaza Neighborhood (the “Project”) and related reserves, interest on financing and administrative and financing costs. The Prior Resolution modified the scope of the Project as necessary to complete the construction work on

Water Line Plaza (W-40)

(the “Amended Project”), and, due to subsequent increase in the estimated cost of the Amended Project, the Resolution modified such cost to an estimated cost, including related design and engineering expenses of \$2,887,000, and declared the intention to issue revenue bonds an aggregate principal amount not to exceed \$3,117,960 under the authority of K.S.A. 10-1201 *et seq.*, as amended and supplemented by Charter Ordinance No. 211 of the City (the “Bonds”) in order to finance all or a portion of the costs of the Amended Project and related reserves, interest on financing and administrative and financing costs.

The Bonds shall not be general obligation bonds of the City payable from taxation, but shall be payable only from the revenues derived from the operations of the Utility. Costs of the Project in excess of the proceeds of the Bonds shall be paid from unencumbered moneys of the Utility which will be available for that purpose.

This Notice shall be published one time in the official newspaper of the City; and if, within fifteen (15) days from and after the publication date hereof, there shall be filed in the Office of the City Clerk a written protest against the Amended Project and the issuance of the Bonds, which protest is signed by not less than twenty percent (20%) of the qualified electors of the City, then the question of the Project and the issuance of the Bonds shall be submitted to the electors of the City at a special election which shall be called for that purpose as provided by law. If no sufficient protest to the Amended Project and the issuance of the Bonds is filed within said period, then the Governing Body shall have the authority to proceed with the Amended Project and issuance of the Bonds.

BY ORDER of the Governing Body of the City of Wichita, Kansas, on December 1,2015.
